Invitation IBC Ski Weekend 2020 in Flims, Switzerland

Thursday 23 January - Sunday 26 January 2020

Dear friends,

Summer is almost over and winter is approaching quickly so it is time to announce our yearly traditional **IBC Ski Weekend**.

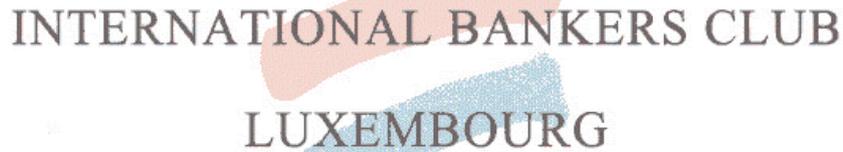

This time we will go to Flims/Laax Skiarea with its traditional charm and hospitality. The ski region of Flims offers more than 220 kilometres of slopes, 4 snow parks and 28 ski lifts, 70% of those are situated at an altitude of between 2,000 and 3,000 metres, which makes Flims/Laax one of the most reliable winter sports regions in the world to find snow. So once your alarm clock rings, you'll be dying to hit the slopes.

Also for "non-skiers/snowboarders" Flims/Laax is an ideal resort to relax and enjoy the swiss alpes. There are lots of winter walks around the village and also for non-skiers there is the possibility to use the cable cars to get to the top of the mountains and to meet with the active skiers/snowboarders for lunch and/or coffee break.
